Dear Mr. Cambell:

**RE: Remedial Investigation/Feasibility Study
Technical Review Committee**

With reference to the above subject, I appreciate your patience in permitting me the extra time to complete the review of the workplan. I do, however, have no comments to offer on the workplan draft for the remedial investigation/feasibility study process.

Thank you for the opportunity to participate in this RI/FS process review.

Best wishes for a happy holiday season!

Sincerely,

Billy M. Lee
